

Call 2021 – Announcement of Extension of Submission Deadline

After discussion between EIT Urban Mobility and its city, industry and academic partners, the Call2021 deadline will be extended until 14 May 2020, 23:59 (UTC+1/CET).

To facilitate the management of the call, and adhere to key deadlines, **an additional step** has been inserted in the call process. This additional step is a *Notification of Intent* to submit. Only proposals which have **by the 30 April 2020, 23:59 (UTC+1/CET)** completed a *Notification of Intent* will be allowed to submit a full proposal on the 14 May 2020. The primary responsibility will be with the proposal's Activity Lead to complete a *Notification of Intent*.

The Activity Lead should submit a *Notification of Intent* through the standard Call 2021 submission system in PLAZA. Partners must complete **a separate *Notification of Intent* for each proposal** they intend to submit. To complete a *notification of intent*, there are four steps.

1. Open PLAZA Call 2021 and add a new proposal by clicking on the action (see *Figure 1: Add New Proposal*)

EIT Urban Mobility is supported by the EIT,
a body of the European Union

3. Completing TAB 0 START HERE (see Figure 3: TAB 0 START HERE)

4. Save and check the completed TAB 0 START HERE. A green check will appear in the corner of the TAB (see Figure 4: Saved and Checked TAB 0 START HERE).

Once these four steps are complete, you have successfully submitted a *Notification of Intent* for EIT Urban Mobility Call for Proposals 2021.

After the deadline for the submission of the *Notification of Intent*, you will have **two more weeks to complete** the remaining TABS to have a **full proposal** submitted by the 14 May 2020, 23:59 (UTC+1/CET).

NB: If a partner has 3 separate proposals in CALL2021, there must be 3 separate *Notifications of Intent* to submit.
