

Application deadline: 6 April 2020

Financial Officer (m/f)

ABOUT EIT URBAN MOBILITY

The website of EIT Urban Mobility is <https://www.eiturbanmobility.eu>

EIT Urban Mobility, supported by the European Institute of Innovation and Technology (EIT), acts to accelerate positive change on mobility to make urban spaces more livable.

EIT Urban Mobility is an initiative of the European Institute of Innovation and Technology (“EIT”). Since January 2019 we have been working to encourage positive changes in the way people move around cities in order to make them more livable places. We aim to become the largest European initiative transforming urban mobility. Co-funding of up to € 400 million (2020-2026) from the EIT, a body of the European Union, will help make this happen.

	<p><i>We create systemic solutions that will move more people around the city more efficiently and free up public space.</i></p>
	<p><i>We bring all key players in urban mobility together to avoid fragmentation and achieve more.</i></p>
	<p><i>We engage cities and citizens from the word go, giving them the opportunity to become true agents of change.</i></p>

In order to support the vision of creating more livable urban spaces, EIT Urban Mobility is opening a job position for the role of **Grant management Financial Officer** responsible for supporting the operational financial management of the organization and for supporting partners and the portfolio management team in the financial implementation, monitoring and reporting of a portfolio of activities financed by the EIT. Selected candidates will constitute a pool of candidates able to fill the role during the year 2020.

MAIN DUTIES AND RESPONSIBILITIES

Reporting to the Chief Operations Officer (COO) and the Head of Finance, the **Financial Officer** is responsible for the operational financial management of the Grant Cycle of EIT Urban Mobility and for

supporting partners and the portfolio management team in the financial implementation, monitoring and reporting of a portfolio of activities financed by the EIT.

This includes:

- Prepare the contract/grant agreement/amendment with the selected beneficiaries and initiate/verify corresponding budgetary and legal commitments; carry out the analysis of financial guarantees, if applicable
- Initiate/verify payments and recovery orders, verify the regularity of all financial transactions (commitments, amendments, payments and recovery orders) ensuring compliance with regulations and rules and established policies and procedures if applicable
- Prepare de-commitments (ensure timely closure of activities, contracts and commitments)
- Control of compliance with the legal framework, processes and procedures of the EIT Grant management cycle
- Supporting the operational financial, legal and administrative controlling of EIT Urban Mobility and its Legal Entities
- Participate in the preparation of the budgetary implementation and the financing decision / annual Business Plan, as well as in the planning, preparing, follow-up and reporting on the annual and multi-annual budget, provide support to budget management in respect of financial regulations upon request and if applicable
- Support compiling the annual amendment and annual financial report of EIT Urban Mobility

In particular, the **Financial Officer** will be responsible for the below tasks:

Coordinate the EIT Grant Management cycle

- Drive the effective and efficient delivery of Business Planning financials and contracts support to partners in financial monitoring and reporting
- Link closely and align cost reporting with EIT Grant requirements and KPIs
- Act as EIT point-of-contact on funding, financial and legal related aspects of EIT Grant Management Cycle for partners and internally for the program management team (PMO)

Manage financial operational activities, forecasting and reporting of EIT Urban Mobility and its Legal Entities

- Contribute to the global financial controls, processes and reporting of EIT Urban Mobility's activities at both the strategic and operational level, including monitoring and reporting on the financial KPIs
- Contribute and support to manage overall EIT Urban Mobility accounting operations infrastructure

- Contribute to support activities and functions by the provision of robust, timely financial information
- Regulatory and legal compliance for all EIT financial and grant cycle aspects (incl. procurement, sub-granting)
- Contribute to EIT Urban Mobility audit processes (EIT-CFS, statutory)

KEY SKILLS AND EXPERIENCE

Qualifications

- Must have at least two (2) years of experience in Horizon 2020 (H2020) grant management or at least sound understanding of relevant EU funding rules and guidelines. This includes:
 - Legal and operational experience in H2020 grant management cycle
 - Experience in a financial framework in H2020 context
- Proven experience as financial officer in large industries or large institutions with financial end-responsibility is a plus
- Strategic mindset combined with hands-on and entrepreneurial approach, able to drive change and performance
- Strong international experience, especially in working with European matrix organizations is a plus
- Fluent in budgeting, forecasting and planning
- Strong presentation and public appearance skills in English (verbal, written) and ability to convey simple and effective value propositions and messages
- Excellent communication skills, both verbally and in writing, in English and Spanish

Soft skills

- **Independent and results-oriented**, able to grasp organization goals and strategies, and deliver technical solutions
- **Committed to operational excellence** by implementing tools or processes that maintain quality service by establishing and enforcing organization standards
- **Driven and passionate in fast-paced organization** and capable of driving change-management in a structured and process-driven fashion

- A team player, capable of engaging with employees from different backgrounds and cultures
- Analytical mindset
- Compliance oriented: understands the need of complying with external regulations
