

Application deadline: Extended to 21 April 2020, exclusively for the positions located in Copenhagen, Helmond, Munich and Prague

Innovation Lifecycle Officer (x4 posts)

ABOUT EIT URBAN MOBILITY

The website of EIT Urban Mobility is <https://www.eiturbanmobility.eu>.

EIT Urban Mobility, supported by the European Institute of Innovation and Technology (EIT), acts to accelerate positive change on mobility to make urban spaces more liveable.

EIT Urban Mobility is an initiative of the European Institute of Innovation and Technology (EIT). Since January 2019 we have been working to encourage positive changes in the way people move around cities in order to make them more liveable places. We aim to become the largest European initiative transforming urban mobility. Co-funding of up to € 400 million (2020-2026) from the EIT, a body of the European Union, will help make this happen.

	<p><i>We create systemic solutions that will move more people around the city more efficiently and free up public space.</i></p>
	<p><i>We bring all key players in urban mobility together to avoid fragmentation and achieve more.</i></p>
	<p><i>We engage cities and citizens from the word go, giving them the opportunity to become true agents of change.</i></p>

In order to support the vision of creating more liveable urban spaces, EIT Urban Mobility is opening a call for applications for 4 posts of Innovation Lifecycle Manager – one to be located in each of the EIT Urban Mobility Hubs in Copenhagen, Helmond, Munich and Prague. The Innovation Lifecycle Officer will be responsible for the continuing development of a specific innovation hub community in one of these four locations.

MAIN DUTIES AND RESPONSIBILITIES

The **Innovation Lifecycle Officer** will report directly to the Hub Director for day-to-day line management. Strategic direction will be provided by the corporate Innovation Director in Barcelona. The primary focus will be to animate the innovation capacity within the partner network in the designated geographic region.

This includes:

- Supporting the partners to develop innovation proposals in cooperation with the other hubs and teams of the organisations to be submitted to competitive funding calls;
- Supporting local partners, cities, SMEs and academics to accelerate the transition towards sustainable mobility for liveable urban spaces;
- Driving the exploitation and deployment of products, services, and solutions;
- Monitoring the innovation portfolio within their Innovation Hub and overseeing documentation and reporting of project performance;
- Liaising with national and regional innovation programmes aligned to EIT Urban Mobility's strategy, developing collaboration and innovative co-funding opportunities;
- Assisting with communicating results and learnings from innovation projects;
- Coordinating best practice exchange in innovation and driving European-wide take-up of the innovation hub's solutions;
- Building the regional knowledge triangle;
- Troubleshooting for local partners in matters related to projects, demonstrations and processes.

KEY SKILLS

- Deep expertise in mobility and strong track record of innovation leadership;
- Experience of delivering large scale, multi sector innovation activities, including ongoing monitoring and reporting;
- Demonstrable experience of project portfolio management;
- Demonstrable experience of developing a business network and maintaining an innovation partnership;
- Capability, ability and fluency in working with academic, industry and city partners;
- Preferably with a track record of provision of policy and process guidance;
- Very well-developed communication and management skills;
- Capacity to work on physical and virtual events, activities, communication and animation of the Hub network.

ELIGIBILITY

General conditions

Nationality: be a national of an EU Member State or an EFTA state¹
Citizenship obligations: enjoy their full rights as citizens² and any military service obligations

Education

Education: completed Business or Engineering Masters' degree or three years of equivalent professional experience³
Languages: Written and spoken English (C1) and one additional relevant Hub community language

Essential qualifications

Sector Experience: 3 years of experience in the sector of Innovation in the field of mobility

JOB AND CONTRACT TYPE

Full-time and of unlimited duration.

LOCATION

- One **Innovation Lifecycle Officer** will be employed in each of the following four Innovation Hubs: Copenhagen, Helmond, Munich and Prague.
- Some travel is expected.
- No relocation expenses are assigned to the **Innovation Lifecycle Officer** functions.

¹ EFTA countries are Norway, Iceland and Liechtenstein as defined by as defined in Article 2 of the EEA agreement.

² Prior to the appointment, the successful candidate will be asked to provide a certificate of good conduct, confirming the absence of any criminal record.

³ Only qualifications issued by an EU Member State authorities and qualifications recognised as equivalent by the relevant EU Member State authorities will be accepted

APPLICATION PROCESS

EIT Urban Mobility is an equal opportunity employer and values diversity. To build a strong digital Europe that works for everyone it is vital that we have diverse range of skills, knowledge and experience in the sector. Therefore, we welcome applications from anyone who meets the above criteria and encourage applications from women, ethnic minorities, and other underrepresented groups.

To apply for this position, please download the [application template](#) from EIT Urban Mobility website. Complete the four elements of the application:

- 1) Personal **contact details**;
- 2) An **eligibility** checklist;
- 3) A **Cover Letter** demonstrating how you match the skills defined in the job description – examples should be given;
- 4) A **curriculum vitae**.

Follow the naming process detailed below:

- Format:** Save your completed application form in **one single file** in either PDF or Word format.
- File name:** Name the file according to the model “*EIT_ILO_last name_first name*”. For example, Joanna Smith would name the file, *EIT_ILO_Smith_Joanna*.
