Helsinki City-Hub DBSchenker CargoBike Experiences

- Location of City-Hub is essential; access, truck parking, safe and secure
- Distance from DBSchenker terminal
- Capacity of CargoBike – shipment profile
- Efficiency increase in most dense areas
- Minuses
 - Limit of shipment size
 - Weather/winter
- Overall
 - Last mile will be more important; time is money and consumers buys service
 - Access to city center (speed limits, red lights, narrow streets)
 - Majority of shipments has to be delivered with van or truck
