

# Mobility Talks 6

## Citizens as drivers of their own mobility

Presentation Evelien Marlier - European Passengers' Federation

[Evelien.marlier@epf.eu](mailto:Evelien.marlier@epf.eu)

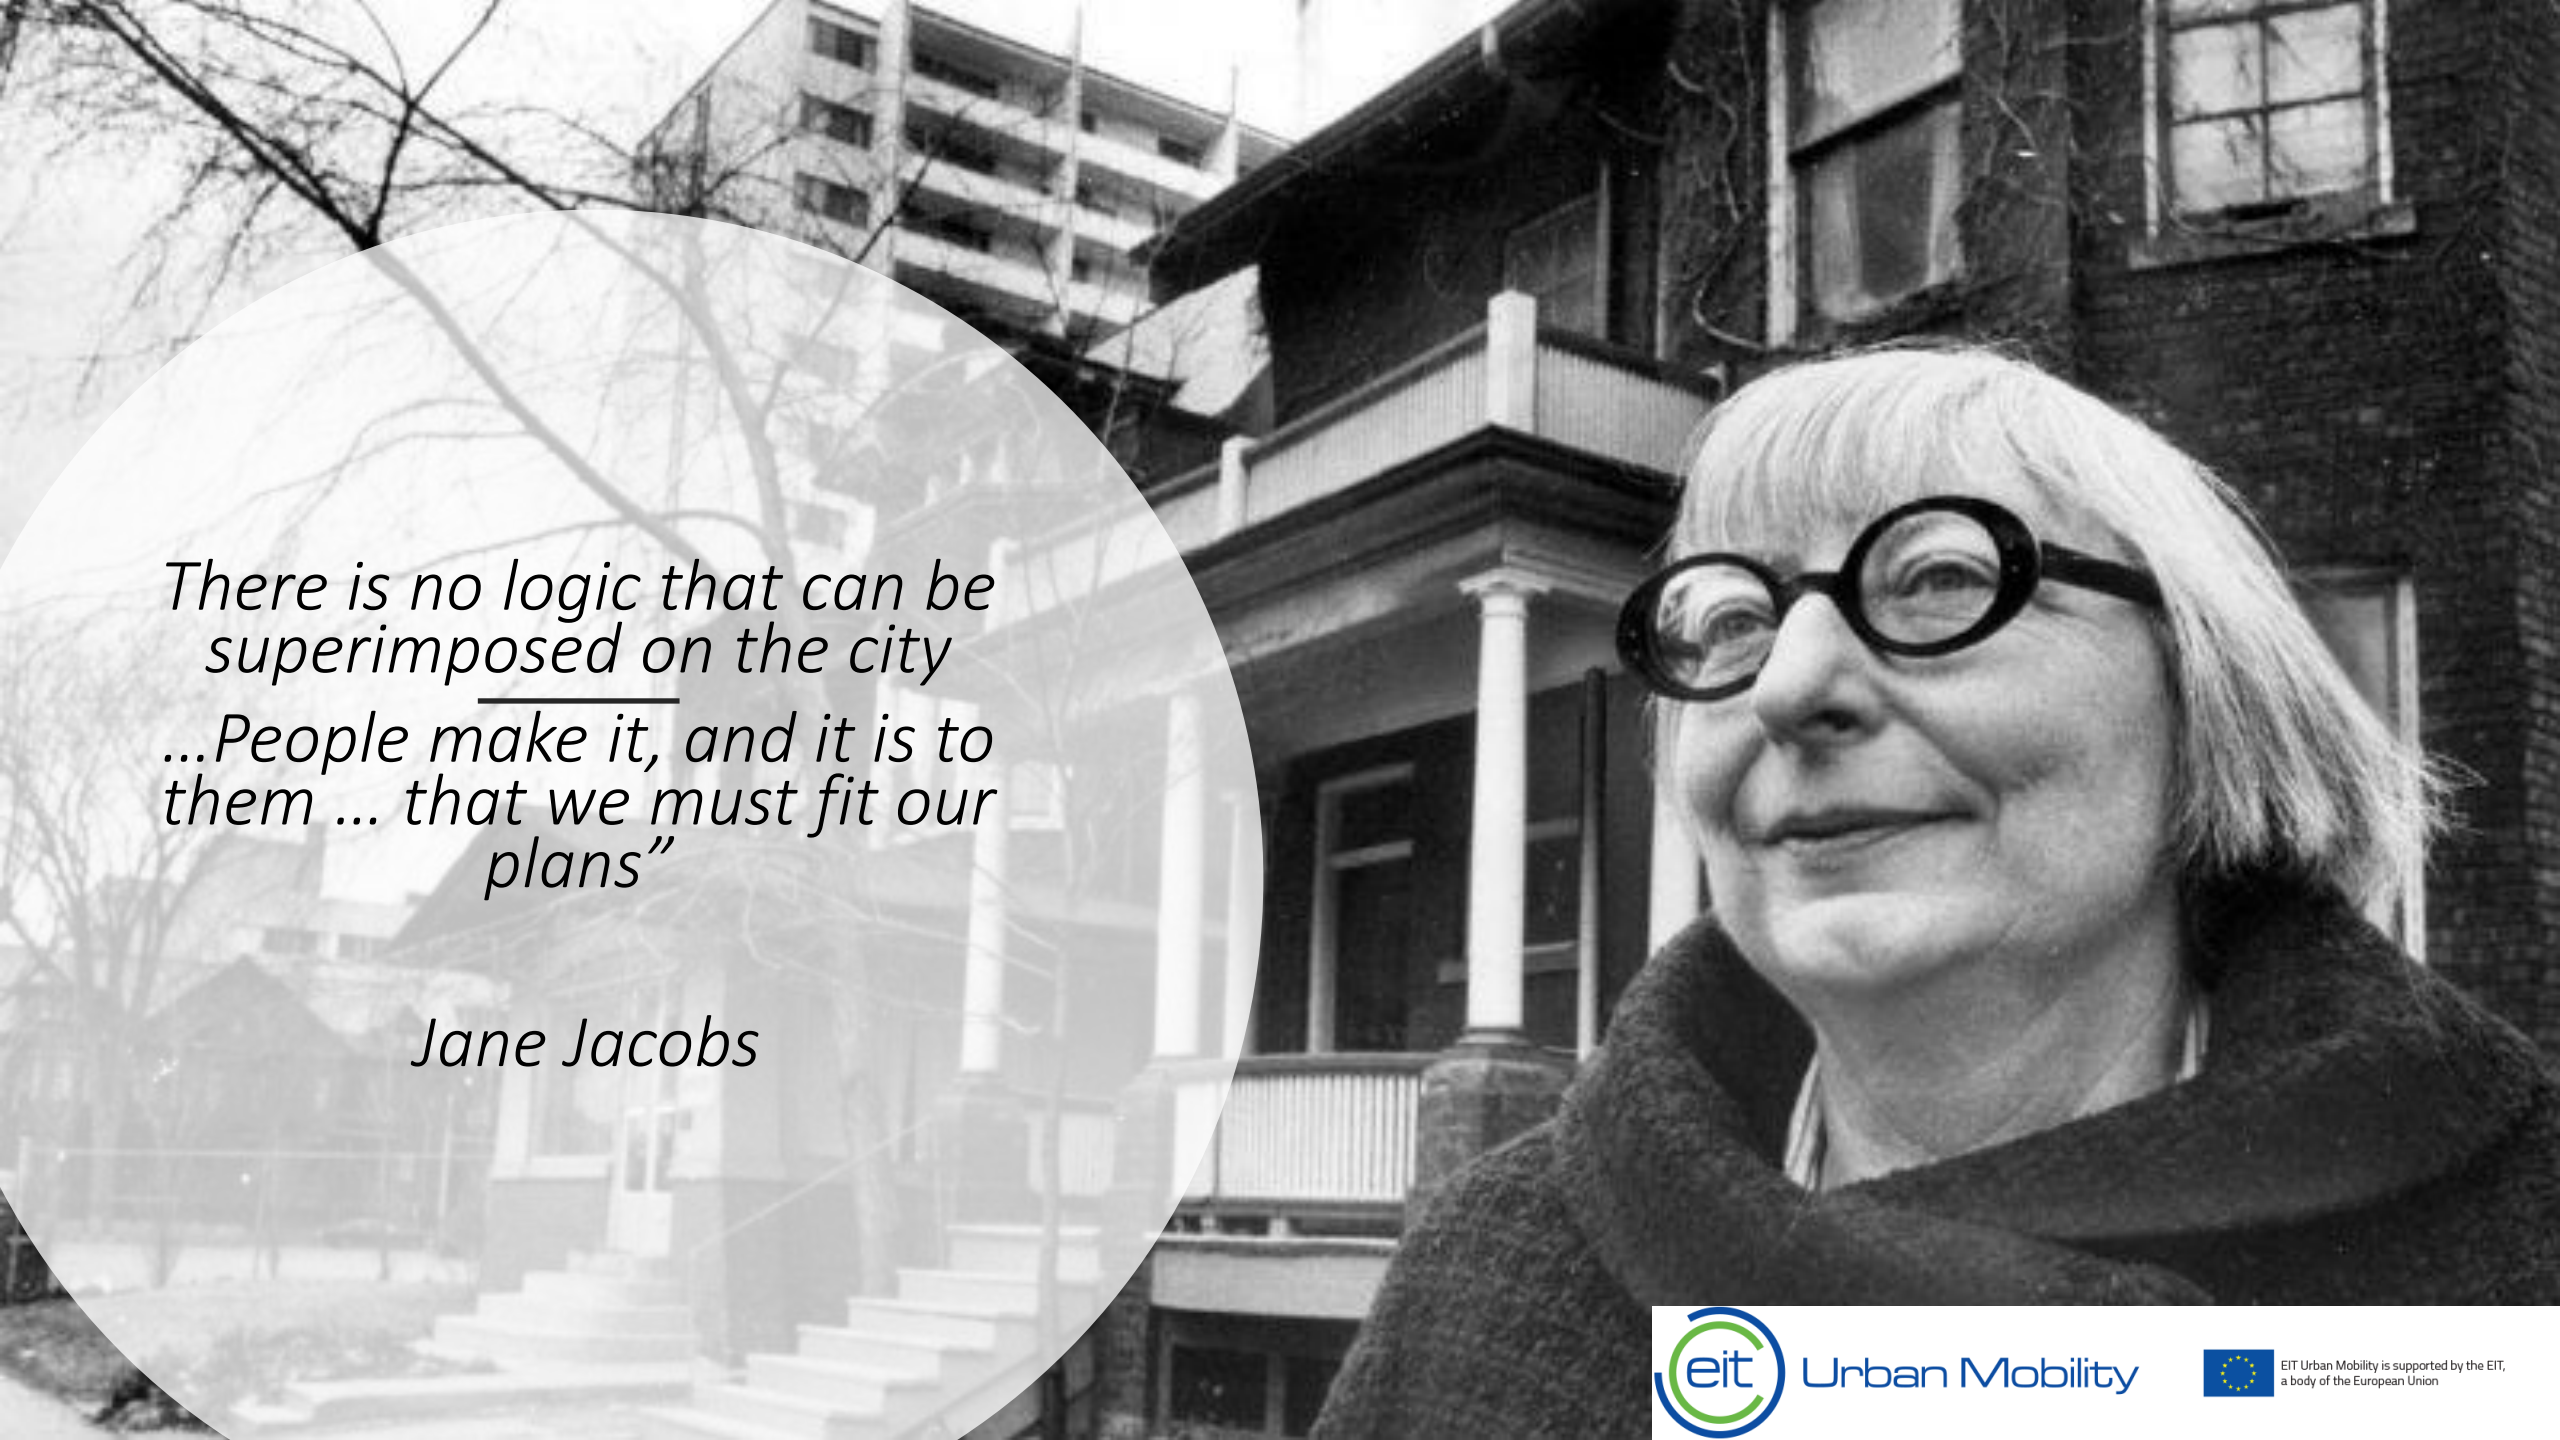

“If we build it, they will come!”

*There is no logic that can be  
superimposed on the city  
...People make it, and it is to  
them ... that we must fit our  
plans”*

*Jane Jacobs*

To find out what citizens really need is my job...

designed by  freepik

...But it should  
be everyone's  
job!

Put the  
customer  
first!
