# Media Editor/Publisher Internship

## ABOUT EIT URBAN MOBILITY

The website of EIT Urban Mobility is <https://www.eiturbanmobility.eu>

EIT Urban Mobility, supported by the European Institute of Innovation and Technology (EIT), acts to accelerate positive change on mobility to make urban spaces more liveable.

EIT Urban Mobility is an initiative of the European Institute of Innovation and Technology (EIT). Since January 2019 we have been working to encourage positive changes in the way people move around cities in order to make them more liveable places. We aim to become the largest European initiative transforming urban mobility. Co-funding of up to € 400 million (2020-2026) from the EIT, a body of the European Union, will help make this happen.

	<i>We create systemic solutions that will <b>move more people around the city more efficiently and free up public space.</b></i>
	<i>We bring all <b>key players in urban mobility together</b> to avoid fragmentation and achieve more.</i>
	<i>We engage <b>cities and citizens from the word go</b>, giving them the opportunity to become true agents of change.</i>

## ABOUT EIT URBAN MOBILITY ACADEMY

Our Academy is a collaborative arena for lifelong learning, helping to build critical capabilities for innovation and transformation. We are training the next generation of urban mobility practitioners, needed by the urban mobility ecosystem of the future.

Our programmes are intersectoral, interdisciplinary, international, and entrepreneurial.

## ABOUT THE COMPETENCE HUB

The Competence Hub offers intensive programmes on hot topics in urban mobility and transport to work with professionals from different sectors, such as project managers, engineers, city executives and entrepreneurs, co-created by our partners in various locations in Europe. This lifelong learning initiative uses a variety of formats including light online material in a web-TV channel, online courses, in-project training, and co-creation work, as well as more conventional face-to-face seminars. It aims to train 50,000 people per year and to reach a total of 500,000 people per year through its online offers.

## MAIN TASKS

The Intern Media Editor/Publisher will support and report to the Head of the Competence Hub and the Academy Director. The primary focus will be to create, edit and publish the video content which is generated internally for the needs of our online activities (WebTV, short programmes, MOOCs). The secondary focus will be to support EIT Urban Mobility and its partners in the publishing of e-learning modules and courses (MOOCs, possibly short programmes), within the appropriate learning platforms.

Tasks and responsibilities include:

- Recording, editing, publishing the video contents that EIT Urban Mobility's Competence Hub produces internally. This may include the generation of entirely new content, retrieving/editing existing footage or a mix of both;
- Recording interviews of people or events of interest, whenever necessary;
- Identifying videos and video formats that can inspire us, from a technical point of view;
- Identifying useful software, tools and platforms that can help us produce quality video content quickly and easily;
- Publishing the e-learning content (videos, text, fully formed online courses) that is produced by our partners and ourselves, on the different social platforms (Youtube, LinkedIn, etc.) and learning platforms (Future Learn, EdX, Coursera, etc.), available in the market.
- Supporting the rest of the team in identifying relevant contents, events, people to interview, etc., and organizing the meetings/shoots from a technical perspective.

## KEY SKILLS

- Education or Experience in similar or comparable task(s);
- Strong IT/technical knowledge: video recording, video editing, video publishing and tagging, e-learning content/module management, customer data-base management, etc;
