

Application deadline: 15 July 2021

EU Project Delivery Officer (Innovation)

ABOUT EIT URBAN MOBILITY

EIT Urban Mobility, supported by the European Institute of Innovation and Technology (EIT), acts to accelerate positive change on mobility to make urban spaces more liveable.

EIT Urban Mobility is an initiative of the European Institute of Innovation and Technology (EIT). Since January 2019 we have been working to encourage positive changes in the way people move around cities in order to make them more liveable places. We aim to become the largest European initiative transforming urban mobility. Co-funding of up to € 400 million (2020-2026) from the EIT, a body of the European Union, will help make this happen.

	<p>We create systemic solutions that will <i>move more people around the city more efficiently and free up public space.</i></p>
	<p>We bring all <i>key players in urban mobility together</i> to avoid fragmentation and achieve more.</p>
	<p>We engage <i>cities and citizens from the word go</i>, giving them the opportunity to become true agents of change.</p>

MAIN DUTIES AND RESPONSIBILITIES

The Project Officer will report to the Innovation Director. The primary focus will be to lead EIT UM actions in relation to delivery on externally awarded projects. As EIT Urban Mobility continues to attract external funding beyond the EU Block Grant, we need to respond by setting up a separate Action and Impact Delivery (AID) team. This team will ensure all contractual obligations of awards are met with quality content on time and on budget. This specific role is one of the first functions set up in the AID.

Funded by the European Union

The primary focus will be to lead EIT UM representative in a 3-years project. Coordination & engagement of stakeholders, cities and industry partners.

This includes the following tasks:

- Coordinate work of others in cross functional team.
- Manage deliverables, milestones and reporting presentation skills and speaking capacity.
- Relationship building, networking skills.
- Stakeholder management, & community maintenance.
- Best practice identification & mapping.
- External relations and communications.
- Write content and make accessible technical, operational innovation content to wider public.
- Troubleshooting for partnership and community.
- Design and deliver funded / subfunded programmes
- Assess need for new programmes based on the city needs/gaps
- Facilitation of workshop skills

KEY SKILLS & EXPERIENCE

- At least 5 years EU project management (Horizon clusters, Interreg, CEF, etc.).
- Understanding of climate change and impact on cities and urban society.
- Knowledge of SDGs and EU Horizon Europe Missions.
- Experience of working with city administrations, private sector organisations and the non-governmental sector.
- Work to timelines and financial reporting.
- Experience from working in a multi-national multi-cultural environment, a European perspective is considered a plus.
- Versatile in teamwork on all organizational levels and experience from working in a matrix organization.
- Facilitation and advocacy skills. Experience in interaction on senior management level.
- Motivation to work in fast-moving, innovative, and sometimes ambiguous environments.
- Team player who can work independently.
- Organized and structured, pro-active and hands-on
