# EXHIBITION AREA

## → EIT URBAN MOBILITY BOOTH

Visit our stand at the Exhibition Area (Street D , Stand 174) to learn more about our Thematic Areas, Innovation Hubs, RIS Hubs and our partners. We will also have a networking space and a coffee-bike where you can get freshly brewed coffee!

## → CENTRAL AGORA

We are organising 2 sessions at the Central Agora:

### **Innovation projects on Managing Shared Public Space**

Tuesday 16 November, 11.30 - 12.15h  
Organisations on stage: Stichting Amsterdam Institute for Advanced Metropolitan Solutions | City of Amsterdam | Barcelona Metropolitan Area | CARNET - UPC Technology Center

### **Innovation projects: Putting MaaS Solutions into Practice**

Thursday 18 November, 11.30-12.15h  
Organisations on stage: Fluctuo | Tecnalia | Nimble Energy Ltd

## → INNOVATION ZONE

An area fully dedicated to start-ups, consisting of several booths, a demo zone, a small stage and a networking area.

### **01. Start-Up Booths**

20 out of 30 start-ups with a booth at the Innovation Zone are supported by EIT Urban Mobility.

6 start-ups EIT Urban Mobility invested in:

BiaPower | Elonroad (STG) | Fluctuo (STG) | HOPU | Vianova (STG) | Vonzu (STG)

and 14 other EIT Urban Mobility supported start-ups:

Delivers.ai | Auve Tech | Dashbike | Homyhub | KNOT | Shotl | Nivel | Smart Point | Nemi | Smartmonkey MinervaS | SmartBox4U - Inteligg | Block City

### **02. Demo Zone**

5 of our EIT Urban Mobility supported start-ups will showcase their solutions at the demo zone:

AuveTech | Delivers.ai | Hopper Mobility | Solum | Smart Point

### **03. Stage**

We will have multiple presentations related to EIT Urban Mobility at the Innovation Zone stage:

- **Present and future of the demand responsive transport (DRT)**
