# Legal and Governance Intern (Full time or part-time)

## ABOUT EIT URBAN MOBILITY

EIT Urban Mobility, supported by the European Institute of Innovation and Technology (EIT), acts to accelerate positive change on mobility to make urban spaces more liveable.

EIT Urban Mobility is an initiative of the European Institute of Innovation and Technology (EIT). Since January 2019 we have been working to encourage positive changes in the way people move around cities in order to make them more liveable places. We aim to become the largest European initiative transforming urban mobility. Co-funding of up to € 400 million (2020-2026) from the EIT, a body of the European Union, will help make this happen.

	<i>We create systemic solutions that will <b>move people around the city more efficiently and free up public space.</b></i>
	<i>We bring all <b>key players in urban mobility together</b> to avoid fragmentation and achieve more.</i>
	<i>We engage <b>cities and citizens from the word go</b>, giving them the opportunity to become true agents of change.</i>
