

Master School

Summer schools (MSA1)

Mandatory KPIs:

KPI Code	KPI Title	Target	KPI Definition	Supporting evidence
EITHE08.1	Participants in (non-degree) education and training	Minimum 15	<p>Number of successful participants in EIT professional development courses, online training courses and other education/training activity delivered or in a process of delivery (by country and type of programme), including data on country of citizenship and gender.</p> <p>Only participants who successfully finished the programme to be counted.</p> <p>For this KPI, only those education and training activities which have clearly defined learning outcomes and which carries out competency assessment method are applicable.</p>	<p>Structured data:</p> <ul style="list-style-type: none"> - Unique personal identifier (representing names, contact details (e-mail address), gender and country of citizenship). - Other structured data TBC by EIT, but including data on: <ul style="list-style-type: none"> • <u>title of education and training activity, start and complete dates, type of programme (TBC); delivery (online, onsite, blended)</u> • <u>Country of delivery (n/a for online) _____ and Institution(s)/organisation(s) delivering the training, countries [the structured data TBC]</u> • <u>Defined learning outcomes and Competency assessment methods (YES/NO)</u> <p>Supporting evidence: n/a</p>
KONHE01	Companies involved in EIT labelled programmes	Minimum 4	<p>This applies only to Master School and Doctoral Training Network. These are formally not Labelled Programmes yet, but may in this context be regarded as labelled. With companies we here refer to both companies and cities.</p>	<p>E.g., document listing involved companies, or Deliverable where these companies are listed, etc.</p>

Awareness Raising activities and/or courses (MSA2)

Mandatory KPIs:

KPI Code	KPI Title	Target	KPI Definition	Supporting evidence
EITHE08.1	Participants in (non-degree) education and training	Minimum 20	<p>Number of successful participants in EIT professional development courses, online training courses and other education/training activity delivered or in a process of delivery (by country and type of programme), including data on country of citizenship and gender.</p> <p>Only participants who successfully finished the programme to be counted. For this KPI, only those education and training activities which have clearly defined learning outcomes and which carries out competency assessment method are applicable.</p>	<p>Structured data:</p> <ul style="list-style-type: none"> - Unique personal identifier (representing names, contact details (e-mail address), gender and country of citizenship). - Other structured data TBC by EIT, but including data on: <ul style="list-style-type: none"> • <u>title of education and training activity, start and complete dates, type of programme (TBC); delivery (online, onsite, blended)</u> • <u>Country of delivery (n/a for online) _____ and Institution(s)/organisation(s) delivering the training, countries [the structured data TBC]</u> • <u>Defined learning outcomes and Competency assessment methods (YES/NO)</u> <p>Supporting evidence: n/a</p>
KONHE02	Participants in all Academy activities	Minimum 80	Here each individual participant in an education programme counts, being in the Master School, Doctoral Training Network or Competence Hub.	E.g., list with unique personal identifiers, deliverable where the number of participants is presented, etc.
KONEHE13	Annual reach of impressions for EIT Urban Mobility content	Minimum 10000	Visitors visiting online content sites being EIT Urban Mobility branded count, irrespectively of type of content, being a site regarding innovation projects, web-TV channel,	E.g., document with information about impressions for online content.

			course home page, or MOOC etc.	
--	--	--	--------------------------------	--

Teaching methodology with a Knowledge Triangle perspective (MSA3)

Mandatory KPIs:

KPI Code	KPI Title	Target	KPI Definition	Supporting evidence
EITHE08.1	Participants in (non-degree) education and training	Minimum 10	Number of successful participants in EIT professional development courses, online training courses and other education/training activity delivered or in a process of delivery (by country and type of programme), including data on country of citizenship and gender. Only participants who successfully finished the programme to be counted. For this KPI, only those education and training activities which have clearly defined learning outcomes and which carries out competency assessment method are applicable.	Structured data: <ul style="list-style-type: none"> - Unique personal identifier (representing names, contact details (e-mail address), gender and country of citizenship). - Other structured data TBC by EIT, but including data on: <ul style="list-style-type: none"> • <u>title of education and training activity, start and complete dates, type of programme (TBC); delivery (online, onsite, blended)</u> • <u>Country of delivery (n/a for online) _____ and Institution(s)/organisation(s) delivering the training, countries [the structured data TBC]</u> • <u>Defined learning outcomes and Competency assessment methods (YES/NO)</u> Supporting evidence: n/a
KONHE02	Participants in all Academy activities	Minimum 50	Here each individual participant in an education programme counts, being in the Master School, Doctoral Training Network or Competence Hub.	E.g., list with unique personal identifiers, deliverable where the number of participants is presented, etc.
KONHE21	New courses developed	Minimum 1	Number of new courses and trainings for degree	E.g., list of new courses, KAVA Deliverable containing this information, etc.

			and non-degree education developed	
--	--	--	------------------------------------	--

Challenge-student competition (MSA4)

Mandatory KPIs:

KPI Code	KPI Title	Target	KPI Definition	Supporting evidence
EITHE08.1	Participants in (non-degree) education and training	Minimum 20	<p>Number of successful participants in EIT professional development courses, online training courses and other education/training activity delivered or in a process of delivery (by country and type of programme), including data on country of citizenship and gender. Only participants who successfully finished the programme to be counted.</p> <p>For this KPI, only those education and training activities which have clearly defined learning outcomes and which carries out competency assessment method are applicable.</p>	<p>Structured data:</p> <ul style="list-style-type: none"> - Unique personal identifier (representing names, contact details (e-mail address), gender and country of citizenship). - Other structured data TBC by EIT, but including data on: <ul style="list-style-type: none"> • <u>title of education and training activity, start and complete dates, type of programme (TBC); delivery (online, onsite, blended)</u> • <u>Country of delivery (n/a for online) and Institution(s)/organisation(s) delivering the training, countries [the structured data TBC]</u> • <u>Defined learning outcomes and Competency assessment methods (YES/NO)</u> <p>Supporting evidence: n/a</p>
KONHE01	Companies involved in EIT labelled programmes	Minimum 4	<p>This applies only to Master School and Doctoral Training Network. These are formally not Labelled Programmes yet, but may in this context be regarded as labelled. With companies we here refer to both companies and cities.</p>	<p>E.g., document listing involved companies, or Deliverable where these companies are listed, etc.</p>

KONHE02	Participants in all Academy activities	Minimum 100	Here each individual participant in an education programme counts, being in the Master School, Doctoral Training Network or Competence Hub.	<i>E.g., list with unique personal identifiers, deliverable where the number of participants is presented, etc.</i>
KONHE13	Annual reach of impressions for EIT Urban Mobility online content	Minimum 4000	Visitors visiting online content sites being EIT Urban Mobility branded count, irrespectively of type of content, being a site regarding innovation projects, web-TV channel, course home page, or MOOC etc.	<i>E.g., document with information about impressions for online content.</i>

Doctoral Training Network

Teaching methodology with a Knowledge Triangle perspective (DTNA1)

Mandatory KPIs:

KPI Code	KPI Title	Target	KPI Definition	Supporting evidence
EITHE08.1	Participants in (non-degree) education and training	Minimum 10	Number of successful participants in EIT professional development courses, online training courses and other education/training activity delivered or in a process of delivery (by country and type of programme), including data on country of citizenship and gender. Only participants who successfully finished the programme to be counted.	Structured data: <ul style="list-style-type: none"> - Unique personal identifier (representing names, contact details (e-mail address), gender and country of citizenship). - Other structured data TBC by EIT, but including data on: <ul style="list-style-type: none"> • <u>title of education and training activity, start and complete dates, type of programme (TBC); delivery (online, onsite, blended)</u>

			For this KPI, only those education and training activities which have clearly defined learning outcomes and which carries out competency assessment method are applicable.	<ul style="list-style-type: none"> <u>Country of delivery (n/a for online) and Institution(s)/organisation(s) delivering the training, countries [the structured data TBC]</u> <u>Defined learning outcomes and Competency assessment methods (YES/NO)</u> <p>Supporting evidence: n/a</p>
KONHE01	Companies involved in EIT labelled programmes	Minimum 4	This applies only to Master School and Doctoral Training Network. These are formally not Labelled Programmes yet, but may in this context be regarded as labelled. With companies we here refer to both companies and cities.	E.g., document listing involved companies, or Deliverable where these companies are listed, etc.
KONHE02	Participants in all Academy activities	Minimum 50	Here each individual participant in an education programme counts, being in the Master School, Doctoral Training Network or Competence Hub.	E.g., list with unique personal identifiers, deliverable where the number of participants is presented, etc.

PhD candidate start-up activities (DTNA2)

Mandatory KPIs:

KPI Code	KPI Title	Target	KPI Definition	Supporting evidence
EITHE08.1	Participants in (non-degree) education and training	Minimum 10	Number of successful participants in EIT professional development courses, online training courses and other education/training activity	<p>Structured data:</p> <ul style="list-style-type: none"> Unique personal identifier (representing names, contact details (e-mail address), gender and country of citizenship). Other structured data TBC by

			<p>delivered or in a process of delivery (by country and type of programme), including data on country of citizenship and gender. Only participants who successfully finished the programme to be counted.</p> <p>For this KPI, only those education and training activities which have clearly defined learning outcomes and which carries out competency assessment method are applicable.</p>	<p>EIT, but including data on:</p> <ul style="list-style-type: none"> • <u>title of education and training activity, start and complete dates, type of programme (TBC); delivery (online, onsite, blended)</u> • <u>Country of delivery (n/a for online) _____ and Institution(s)/organisation(s) delivering the training, countries [the structured data TBC]</u> • <u>Defined learning outcomes and Competency assessment methods (YES/NO)</u> <p>Supporting evidence: n/a</p>
KONHE01	Companies involved in EIT labelled programmes	Minimum 4	<p>This applies only to Master School and Doctoral Training Network. These are formally not Labelled Programmes yet, but may in this context be regarded as labelled. With companies we here refer to both companies and cities.</p>	<p>E.g., <i>document listing involved companies, or Deliverable where these companies are listed, etc.</i></p>
KONHE02	Participants in all Academy activities	Minimum 50	<p>Here each individual participant in an education programme counts, being in the Master School, Doctoral Training Network or Competence Hub.</p>	<p>E.g., <i>list with unique personal identifiers, deliverable where the number of participants is presented, etc.</i></p>

Competence Hub

Online urban mobility courses with a significant financial and impact potential (CHA1)

Mandatory KPIs:

KPI Code	KPI Title	Target	KPI Definition	Supporting evidence
EITHE08.1	Participants in (non-degree) education and training	Minimum 15	Number of successful participants in EIT professional development courses, online training courses and other education/training activity delivered or in a process of delivery (by country and type of programme), including data on country of citizenship and gender. Only participants who successfully finished the programme to be counted. For this KPI, only those education and training activities which have clearly defined learning outcomes and which carries out competency assessment method are applicable.	<p>Structured data:</p> <ul style="list-style-type: none"> - Unique personal identifier (representing names, contact details (e-mail address), gender and country of citizenship). - Other structured data TBC by EIT, but including data on: <ul style="list-style-type: none"> • <u>title of education and training activity, start and complete dates, type of programme (TBC); delivery (online, onsite, blended)</u> • <u>Country of delivery (n/a for online) _____ and Institution(s)/organisation(s) delivering the training, countries [the structured data TBC]</u> • <u>Defined learning outcomes and Competency assessment methods (YES/NO)</u> <p>Supporting evidence: n/a</p>
KONHE02	Participants in all Academy activities	Minimum 25	Here each individual participant in an education programme counts, being in the Master School, Doctoral Training Network or Competence Hub.	E.g., list with unique personal identifiers, deliverable where the number of participants is presented, etc.

Face-to-face urban mobility courses with a significant financial and impact potential (CHA2)

Mandatory KPIs:

KPI Code	KPI Title	Target	KPI Definition	Supporting evidence
EITHE08.1	Participants in (non-degree) education and training	Minimum 15	Number of successful participants in EIT professional development courses, online training	<p>Structured data:</p> <ul style="list-style-type: none"> - Unique personal identifier (representing names, contact details (e-mail address), gender

			<p>courses and other education/training activity delivered or in a process of delivery (by country and type of programme), including data on country of citizenship and gender. Only participants who successfully finished the programme to be counted.</p> <p>For this KPI, only those education and training activities which have clearly defined learning outcomes and which carries out competency assessment method are applicable.</p>	<p>and country of citizenship).</p> <p>- Other structured data TBC by EIT, but including data on:</p> <ul style="list-style-type: none"> • <u>title of education and training activity, start and complete dates, type of programme (TBC); delivery (online, onsite, blended)</u> • <u>Country of delivery (n/a for online) and Institution(s)/organisation(s) delivering the training, countries [the structured data TBC]</u> • <u>Defined learning outcomes and Competency assessment methods (YES/NO)</u> <p>Supporting evidence: n/a</p>
KONHE02	Participants in all Academy activities	Minimum 25	Here each individual participant in an education programme counts, being in the Master School, Doctoral Training Network or Competence Hub.	E.g., list with unique personal identifiers, deliverable where the number of participants is presented, etc.

Meeting city staff education needs (CHA3)

Mandatory KPIs:

KPI Code	KPI Title	Target	KPI Definition	Supporting evidence
EITHE08.1	Participants in (non-degree) education and training	Minimum 15	Number of successful participants in EIT professional development courses, online training courses and other education/training activity delivered or in a process of delivery (by country and type of programme), including data on country of citizenship and gender.	<p>Structured data:</p> <p>- Unique personal identifier (representing names, contact details (e-mail address), gender and country of citizenship).</p> <p>- Other structured data TBC by EIT, but including data on:</p> <ul style="list-style-type: none"> • <u>title of education and training activity, start and complete dates, type of programme</u>

			<p>Only participants who successfully finished the programme to be counted.</p> <p>For this KPI, only those education and training activities which have clearly defined learning outcomes and which carries out competency assessment method are applicable.</p>	<p><i>(TBC); delivery (online, onsite, blended)</i></p> <ul style="list-style-type: none"> • <i>Country of delivery (n/a for online) _____ and Institution(s)/organisation(s) delivering the training, countries [the structured data TBC]</i> • <i>Defined learning outcomes and Competency assessment methods (YES/NO)</i> <p>Supporting evidence: n/a</p>
KONHE02	Participants in all Academy activities	Minimum 50	<p>Here each individual participant in an education programme counts, being in the Master School, Doctoral Training Network or Competence Hub.</p>	<p>E.g., list with unique personal identifiers, deliverable where the number of participants is presented, etc.</p>

Hackathons (CHA4)

Mandatory KPIs:

KPI Code	KPI Title	Target	KPI Definition	Supporting evidence
EITHE08.1	Participants in (non-degree) education and training	Minimum 40	<p>Number of successful participants in EIT professional development courses, online training courses and other education/training activity delivered or in a process of delivery (by country and type of programme), including data on country of citizenship and gender. Only participants who successfully finished the programme to be counted.</p> <p>For this KPI, only those education and training</p>	<p>Structured data:</p> <ul style="list-style-type: none"> - Unique personal identifier (representing names, contact details (e-mail address), gender and country of citizenship). - Other structured data TBC by EIT, but including data on: <ul style="list-style-type: none"> • <i>title of education and training activity, start and complete dates, type of programme (TBC); delivery (online, onsite, blended)</i> • <i>Country of delivery (n/a for online) _____ and Institution(s)/organisation(s)</i>

			activities which have clearly defined learning outcomes and which carries out competency assessment method are applicable.	<p><u>delivering the training, countries [the structured data TBC]</u></p> <ul style="list-style-type: none"> • <u>Defined learning outcomes and Competency assessment methods (YES/NO)</u> <p>Supporting evidence: n/a</p>
KONHE02	Participants in all Academy activities	Minimum 80	Here each individual participant in an education programme counts, being in the Master School, Doctoral Training Network or Competence Hub.	E.g., list with unique personal identifiers, deliverable where the number of participants is presented, etc.

Multi-stakeholder collaboration courses (CHA5)

Mandatory KPIs:

KPI Code	KPI Title	Target	KPI Definition	Supporting evidence
EITHE08.1	Participants in (non-degree) education and training	Minimum 20	<p>Number of successful participants in EIT professional development courses, online training courses and other education/training activity delivered or in a process of delivery (by country and type of programme), including data on country of citizenship and gender. Only participants who successfully finished the programme to be counted.</p> <p>For this KPI, only those education and training activities which have clearly defined learning outcomes and which carries out competency assessment method are applicable.</p>	<p>Structured data:</p> <ul style="list-style-type: none"> - Unique personal identifier (representing names, contact details (e-mail address), gender and country of citizenship). - Other structured data TBC by EIT, but including data on: <ul style="list-style-type: none"> • <u>title of education and training activity, start and complete dates, type of programme (TBC); delivery (online, onsite, blended)</u> • <u>Country of delivery (n/a for online) _____ and Institution(s)/organisation(s) delivering the training, countries [the structured data TBC]</u> • <u>Defined learning outcomes and Competency assessment methods (YES/NO)</u>

				Supporting evidence: n/a
KONHE02	Participants in all Academy activities	Minimum 80	Here each individual participant in an education programme counts, being in the Master School, Doctoral Training Network or Competence Hub.	<i>E.g., list with unique personal identifiers, deliverable where the number of participants is presented, etc.</i>
