Administrative Internship (Innovation)

Who are we?

EIT Urban Mobility is an initiative of the European Institute of Innovation and Technology (EIT), a body of the European Union and Europe's largest network for transport innovation in cities.

Our mission is to accelerate change towards a sustainable model of urban mobility and liveable urban spaces. We connect public and private actors and provide them with access to markets, talent, finance, and knowledge in four ways:

Using cities as living labs, our industry, research and university partners will demonstrate how new technologies can work to solve real problems in real cities by transporting people, goods and waste in smarter ways.

Join our team and be part of the change!

Be part of a team where you will:

- Support the management of organisational documentation, calendar for the Innovation Team.
- Master and use the EIT Urban Mobility IT project tracking system (Plaza).
