*Call launch* | *Cut-off dates* | *PC Partners Call* | *OC Open Call*
Type of activities
Following activities can be addressed by the proposals:

- Summer Schools
- New EIT Urban Mobility Master’s programmes (type 1: double-degree master programmes based on the EIT Label Handbook for planning, labelling and reviewing degree programmes)
- New universities joining the existing EIT Urban Mobility Master School programmes (type 1: double-degree master programmes based on the EIT Label Handbook for planning, labelling and reviewing degree programmes)
- Innovation & Entrepreneurship (I&E) master programmes that join the EIT Urban Mobility I&E Fellowship (type 2: single degree master programmes based on the EIT Label Handbook for Fellowships)
- Summer Schools for Bachelor Students

Type of applicants
Legal entities established in a Member State (MS) of the European Union (EU), and/or in a third country associated with Horizon Europe

Call key dates
Launch date: 6 November 2023
Cut-off dates: 15 January 2024

Call estimated budget
TOTAL EIT estimated contribution: €1,000,000
Type of activities

This financial grant is to enable students/recent graduates in developing their projects/ideas into a new startup venture. If successful, this could be a startup supported by EIT Urban Mobility, making them eligible to apply for other EIT Urban Mobility programmes.

Type of applicants

Students who are currently enrolled in, or recently graduated from, any of the EIT-labelled programmes under EIT Urban Mobility.

Call key dates

Long-term open call
Launch date: 25 May 2023
Cut-off dates: 15 January 2024, May/June 2024 (TBC)

Call estimated budget

TOTAL EIT estimated contribution: €30,000 per year
**Type of activities**

Following activities can be addressed by the proposals:

- Production of short educational videos
- Production of e-courses covering a wide selection of innovative mobility topics, from new technologies to more social and environmental best practice
- Production of applied learning courses and programmes with significant revenue potential
- Scale-up of existing Competence Hub training initiatives to maximise impact

**Type of applicants**

EIT Urban Mobility partners, including but not limited to research institutions, universities, business schools, industry, consultancy firms, cities, etc.

**Call key tentative dates**

Long-term open call

- **Launch date:** 28 June 2023
- **Cut-off date (call closure):** 31 January 2024

**Call estimated budget**

**TOTAL EIT estimated contribution:** €820,000
Type of activities

Following activities can be addressed by the proposals:

- Production of e-courses covering a wide selection of innovative mobility topics, from new technologies to more social and environmental best practice
- Production of applied learning courses and programmes with significant revenue potential
- Scale-up of existing Competence Hub training initiatives to maximise impact

Type of applicants

Research institutions, universities, business schools, industry, including consultancy firms, cities, etc. established in a Member State (MS) of the European Union (EU), and/or in Third country associated to Horizon Europe

Call key tentative dates

Deadline: September 2024 (TBC)

Call estimated budget

TOTAL EIT estimated contribution: €600,000
Calls Programme 2024

Innovation

Co-funded by the European Union
**Type of activities**

The call aims to support small and medium enterprises (SMEs) to either:

- Develop a new product/service/solutions for existing clients
- Significantly improve an existing product/service/solution for expansion into a new industry sector or geographic area

**Type of applicants**

Mono-beneficiary call addressed to SMEs located established in Member States (MS) of the European Union (EU), and/or in third countries associated with Horizon Europe, with innovations for urban mobility challenges.

**Call key dates**

- **Launch date:** 21 November 2023
- **Deadline:** 19 February 2024

**Call estimated budget**

- **TOTAL EIT estimated contribution:** €714,000
Type of activities
The call aims to support small and medium enterprises (SMEs) to either:
- Develop a new product/service/solutions for existing clients
- Significantly improve an existing product/service/solution for expansion into a new industry sector or geographic area

Type of applicants
Mono-beneficiary call addressed to SMEs located established in Member States of the European Union, and/or in third countries associated with Horizon Europe, with innovations for urban mobility challenges.

Call key dates
Launch date: 21 November 2024
Deadline: 19 February 2025 (TBC)

Call estimated budget
TOTAL EIT estimated contribution: TBC
Type of activities
The call aims to support projects that are close-to-market, capable of testing new solutions in real-life city demonstrations and that can attain commercial viability by the end of the activities. The call will support the development and demonstration of a new, or significantly improved product, service or solution in two locations.

Type of applicants
All legal entities (SMEs, universities, research and technology organisations, or large businesses, etc.) established in a Member State of the European Union, and/or in a third country associated with Horizon Europe. All proposals must be composed of at least three independent legal entities established in two different EU Member States and/or third countries associated with Horizon Europe.

Call key dates
Launch date: April 2024
Deadline: June 2024

Call estimated budget
TOTAL EIT estimated contribution: €8,000,000
Type of activities
This call aims to support the development of a new or significantly improved product/service/solution to solve city challenges.

Type of applicants
The call is open to startups and SMEs, registered as legal entities not more than 10 years from the official closing date of the call. They must have been established in a Member State of the European Union, and/or in third countries associated to Horizon Europe.

Call key dates
Launch date: 29 February 2024
Deadline: 6 May 2024

Call estimated budget
TOTAL EIT estimated contribution: €600,000
Type of activities
This call will be focused on different topics to address portfolio gaps, market failures and external events; such as technological developments, policies and regulations. The topics to be addressed will be published for each cutoff date.

Type of applicants
The call is open to any legal entities (from 2-4 applicants per project) established in a Member State of the European Union, and/or in third countries associated with Horizon Europe.

Call key dates
Long-term open call
Launch date: 14 December 2023
Cut-off dates: 22 February 2024 (1st cutoff); September 2024 (2nd cutoff TBC)

Call estimated budget
TOTAL EIT estimated contribution: €4,200,000
Impact Ventures
Financial Support to Startups Open Call 2024

Open Call

Type of activities
This call aims to provide financial support to startups that offer innovative urban mobility solutions and to foster the hiring, growth, product development, research and development, legal and marketing development of these startups.

Type of applicants
The call is open to startups and for-profit private businesses established in a Member State of the European Union, or in a third country associated with Horizon Europe with at least 2 and no more than 100 Full Time Equivalent (full-time employees working at any one company). The applying startup should have a pre-money valuation of a maximum €20 million.

Call key dates
Long-term open call
Launch date: January or April 2024 (TBC)
Cut-off dates: March or June 2024 (1st cutoff - TBC); Subsequent cutoff dates TBC

Call estimated budget
TOTAL EIT estimated contribution: €5,000,000
Type of activities (indicative)

The overall purpose of this call is to resolve challenges facing European cities to improve citizens’ lives, by taking innovative ideas and putting them to the test in real life. The Impact Ventures programmes help entrepreneurs grow their successful business ventures by providing startups and scale-ups training, advice, funding and networking opportunities.

Type of applicants

This call is open to incubators, accelerators, living labs, research and development centres, and private mobility companies from Member States of the European Union, and third countries associated with Horizon Europe. All proposals must be composed of at least two partners from two different EU Member States or third countries associated to Horizon Europe.

Call key dates

Launch date: August 2024
Deadline: September 2024

Call estimated budget

TOTAL EIT estimated contribution: €320,000
Calls Programme 2024

Ecosystem

Co-funded by the European Union
Type of activities
This call aims to support companies that have identified an innovative business opportunity to work together in a joint venture, guiding them, especially during the structuring phase of the business model as well as during its launch and operationalisation stages.

Type of applicants
The call is open to any legal entities (multi-participant type of call) established in a Member State of the European Union, or in a third country associated with Horizon Europe.

Call key dates
Long-term open call
Launch date: 20 September 2023
Cut-off dates: 20 December 2023 (1st cut-off); Subsequent cut-off dates in 2024 TBC

Call estimated budget
TOTAL EIT estimated contribution: €100,000
Type of activities

This call aims to support the Regional Innovation Scheme (RIS) entities (former RIS Hubs) through various activities aimed at strengthening local innovation and technology, education, and community.

Type of applicants

The call is open to RIS professional entities (former RIS Hubs 2021-2022) such as SMEs, higher education institutions, research institutions, incubators, and municipalities established in a Member State of the European Union, or in a third country associated with Horizon Europe.

Call key dates

Launch date: July 2024 (TBC)
Deadline: September 2024 (TBC)

Call estimated budget

TOTAL EIT estimated contribution: €1,300,000
Calls Programme 2024

Strategic Synergies

Co-funded by the European Union
Type of activities

The call aims to support the scaling of activities by implementing the next level of an already funded project at the same location or by replicating the project elsewhere.

Type of applicants

This call is open to EIT Community New European Bauhaus project partners, plus new cities, regions, or affiliated entities in order to enable the replication of the project elsewhere.

Call key dates

Launch date: February 2024 (TBC)
Deadline: April 2024

Call estimated budget

TOTAL EIT estimated contribution: €320,000
Connect New European Bauhaus Open Call 2025

Type of activities

The call aims to address the New European Bauhaus (NEB) challenges by supporting different initiatives, such as:

- The activation of generated solutions and initiatives to advance sustainability, beauty and inclusivity in alignment with existing local strategies;
- Collecting and prioritising citizens’ and end-users’ most pressing challenges and empower them to co-design well-founded solutions that match the needs of a wider community;
- Strengthen transdisciplinary, intergenerational and intersectoral collaboration by convening diverse stakeholder groups through citizen engagement activities in line with NEB initiative and existing local strategies.

Type of applicants

This call is open to one single applicant (mono-beneficiary type of call) addressed to any private/public entities established in a Member State of the European Union, or in a third country associated with Horizon Europe.

Call key dates

Launch date: November 2024
Deadline: January 2025

Call estimated budget

TOTAL EIT estimated contribution: €120,000
Type of activities
The call aims to address the New European Bauhaus (NEB) challenges by supporting different initiatives, such as:

- Improved quality of a defined public space by implementing the NEB approach;
- Improved quality of public space by complementing local policy/strategy whilst implementing NEB approach.

Type of applicants
This call is open to a consortium of two to four private/public entities (at least one being a city, region or affiliated) established in a Member State of the European Union, or in a third country associated with Horizon Europe.

Call key dates
Launch date: November 2024
Deadline: January 2025

Call estimated budget
TOTAL EIT estimated contribution: €360,000
