

EIT Urban Mobility Association

The EIT Urban Mobility Association is a non-for-profit legal entity established in 2019. Based in Barcelona, it follows the laws of Catalonia. It is the sole shareholder of the EIT KIC Urban Mobility S.L.U. Its purpose is to strengthen the European knowledge, business and growth position in safeguarding access to mobility and logistics in urban areas in a greener, more inclusive, safer and smarter way, whilst improving the fundamental value of urban areas as places to live, move, meet, experience and work.

Public and private members

The Association has a diverse membership profile, ranging across European education, research, business, and public sectors. Membership in the Association is open to legal entities who are directly or indirectly active in or for the urban mobility sector and who support the purposes of the Association. Natural persons cannot be members of the Association.

Admission to the Association is discretionary and decided upon by the General Assembly of members of the Association.

Managing Board

The governing bodies of the Association are the General Assembly and the Managing Board. The Managing Board is composed of three Association members. The current members of the Managing Board, elected on 30 May 2023, are:

- Erwin Heeneman, representing PowerHUB, Chairperson
- Georgia Ayfantopoulou, representing CERTH, Secretary/Vice-Chair
- Veronika Erös, representing ZoneCluster, Treasurer/Vice-Chair

How to join

Businesses and organisations interested in joining the Association so support its purpose can apply to join the Association by writing to the Managing Board at board@eitumassociation.eu.

Terms and conditions apply.
