# Purpose and scope of activities

To provide financial support and a pathway for students and recent graduates from **EIT-Labelled programs** to transform their early-stage innovative urban mobility ideas into viable startup ventures.

## Funding Structure

Total potential grant of **€6,000 per project**, disbursed across three progressive maturity stages:

# Main requirements for applicants

- Applicants need to be part of a team with at least 2 members.
- The team members can be from any nationality, but the project leader, who will also be the recipient of the grant, should be residing in one of the Member States (MS) of the European Union (EU) or in one of the Horizon Europe associated countries at the time of submission of the application.
- At least one team member should be enrolled in/graduated from an EIT-Labelled programme under EIT Urban Mobility. For teams with at least one member who has recently graduated, their graduation date should be no more than two years before the date of submission of the application.
- It should be a start-up or project in its early stages that has not yet generated any major revenue/sales at the time of submission of the application.
- Applicants who already have a registered entity cannot apply from Stage 1, but only from Stage 2.
- If the applicant is applying for a grant after the project has been incorporated into a registered entity, the date of incorporation of the entity should be no more than 2 years before the date of submission of the application.

# Main requirements for applicants: supporting documents

## \*Link to the Video Pitch

Please provide a link to your project or startup's video pitch (5-minute maximum). If using Google Drive or a similar service, ensure the file is in MP4 format, accessible for download, and under 300 MB.

## \*Pitch deck with business plan

Please upload a pitch deck of your project in pdf format (Max. file size 5 MB)

## \*Proof of enrollment in (or) graduation from EIT UM's EIT-Labelled program

At least one team member should be enrolled in (or) graduated from an EIT-Labelled programme under EIT Urban Mobility. For teams with at least one member who has recently graduated, their graduation date should not be more than two years before the date of submission of this application.

Please upload the document in pdf format (Max. file size 1 MB)

## Proof of Legal Incorporation (Only for Stage 2)

Please upload the legal incorporation document. It should have the date of registration clearly specified. Please upload the document in pdf format (Max. file size 1 MB)

# Guidelines on proposal submission on NetSuite

How to apply

Co-funded by the  
European Union

# 1. Proposal submission process

## Step 1: Obtain a Participant Identification Code (PIC)

All applicants submitting to this Call must register themselves as natural persons in the [EU Funding & Tenders Opportunities Portal](#) to obtain a valid nine-digit PIC number (See section 2 How to get a PIC number for natural persons).

## Step 2: Register or access the EIT Urban Mobility Programmes Portal (NetSuite)

- If you are already registered in the EIT Urban Mobility [Programmes Portal](#) (NetSuite), please log in by going to step 3.
- If you have never registered in the system, please go to the [Programmes Portal](#) (NetSuite) and click on “Register”. Then select **Option 1: “I am an organisation/individual or an existing EITUM Academy student applying for EITM Calls”** and complete the Partner Information Form (PIF) with the required details.

# 1. Proposal submission process

## Step 3: Submit the application in NetSuite

Once registered and logged in, applicants must:  
Access the EIT Urban Mobility **NetSuite** platform.

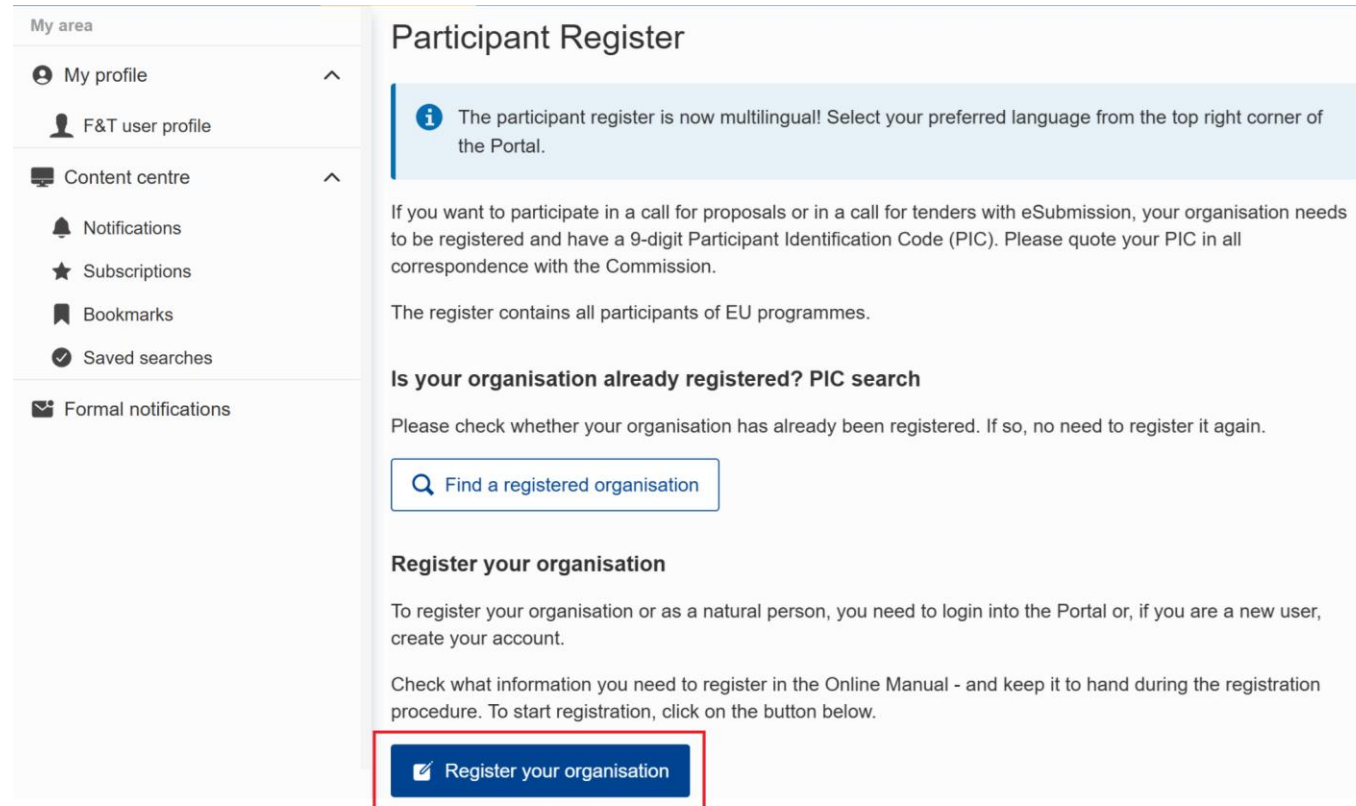

Navigate to: *>Grant Management >Grant Management > Open Calls*

Select the call **Student Entrepreneur Grant Scheme (SEGS)**

## 2. How to get a PIC number for natural persons

Go to the [Participant Register](#)

The screenshot shows a web portal interface. On the left is a 'My area' sidebar with links for 'My profile', 'F&T user profile', 'Content centre', 'Notifications', 'Subscriptions', 'Bookmarks', 'Saved searches', and 'Formal notifications'. The main content area is titled 'Participant Register'. It features a light blue information banner at the top stating: 'The participant register is now multilingual! Select your preferred language from the top right corner of the Portal.' Below this, a paragraph explains that participants need a 9-digit PIC and to quote it in all correspondence. A section titled 'Is your organisation already registered? PIC search' includes a search button 'Find a registered organisation'. Another section titled 'Register your organisation' explains the login requirements and provides a 'Register your organisation' button, which is highlighted with a red rectangular box.

**Participant Register**

**i** The participant register is now multilingual! Select your preferred language from the top right corner of the Portal.

If you want to participate in a call for proposals or in a call for tenders with eSubmission, your organisation needs to be registered and have a 9-digit Participant Identification Code (PIC). Please quote your PIC in all correspondence with the Commission.

The register contains all participants of EU programmes.

**Is your organisation already registered? PIC search**

Please check whether your organisation has already been registered. If so, no need to register it again.

**Register your organisation**

To register your organisation or as a natural person, you need to login into the Portal or, if you are a new user, create your account.

Check what information you need to register in the Online Manual - and keep it to hand during the registration procedure. To start registration, click on the button below.

## 2. How to get a PIC number for natural persons

Identification

Legal name *	<input type="text" value="Lucie Pardo Alzavall"/>	220
Registration country *	<input type="text" value="Spain"/>	▼
Registration number	<input type="text" value="Registration number"/> <small>not applicable for natural persons</small>	50

## 2. How to get a PIC number for natural persons

You can add an Authorised user:

The screenshot shows the 'Participant Register' form with a progress bar at the top. The steps are: Identification (checked), Organisation Data (checked), Legal Information (checked), **Authorised Users** (active), Summary (5), and Success (6). Below the progress bar, the 'Authorised Users' section is visible. It contains a form with the following fields: First name: [redacted], Last name: [redacted], and E-mail: [redacted]. A red box highlights a warning message: 'It is highly recommended to add an authorised user to access to your organisation (back-up function).' Below the warning is a '+ Authorised user' button.

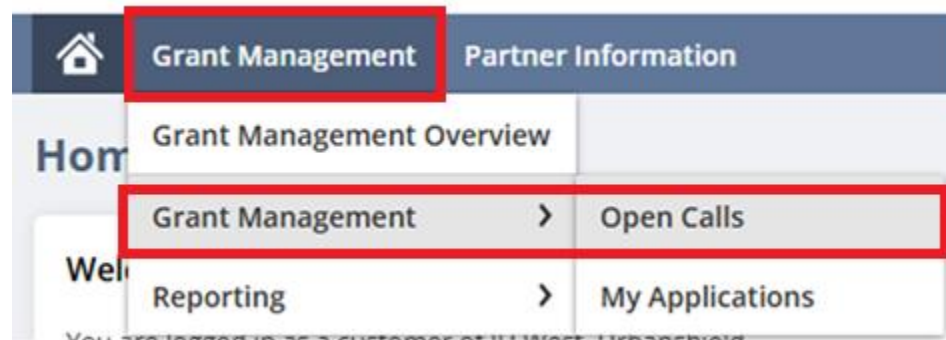

You can print the summary and if everything is correct, click on Submit.

The screenshot shows the 'Participant Register' form with a progress bar at the top. The steps are: Identification (checked), Organisation Data (checked), Legal Information (checked), Authorised Users (checked), **Summary** (active), and Success (6). Below the progress bar, the 'Summary' section is visible. It contains a form with the following fields: Identification (checked), Legal name: [redacted], Registration country: **Spain**, Registration number: [redacted], and VAT number: [redacted]. A red box highlights the 'Print' button and the 'Submit' button. The 'Print' button is also circled in red.

### 3. Create an application

Go to EIT Urban Mobility Programmes Portal (NetSuite), click on > *Grant Management* > *Open Calls*

Choose the **Student Entrepreneur Grant Scheme**. Once you click on “apply”, a new Application Form is created, and you will be able to start filling it in with all the information of your project.

The Application Form is divided in three sections, which are detailed below.

## 3.1. Main Information

Here you need to indicate the title of your project. The ID proposal number is generated automatically.

[Main Information](#)

[Project Scope](#)

[Supporting Documents](#)

### Main Information

ID proposal number

\* Name of the Project/Start-up

Please mention the name of your project. If registered as an entity, please mention the registered name.

## 3.2. Project Scope

### Personal Information

Country of Residence

Contact e-mail

Phone number (including the country code)

### Project Details

Here you need to list the team members. You will also need to include the project website or LinkedIn profile. Please note that the format should be: <http://www.eiturbanmobility.eu/>

When preparing your **Project Summary**, please note that it is limited to 500 words.

### Legal Status

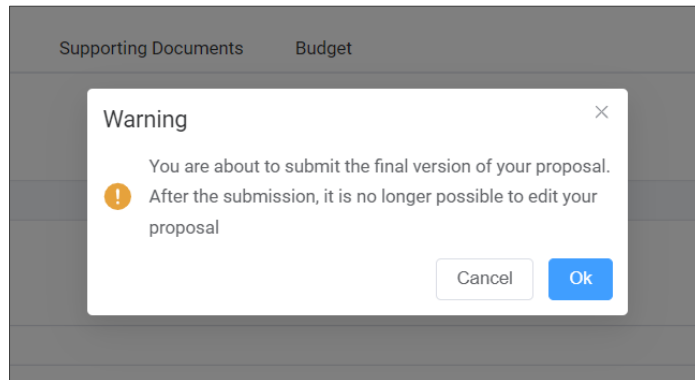

Here you need to select “YES/No”. If you select “yes” you will be able to apply for Stage 2 only.

### Declaration

Here you can only select “YES/No”.

## 4. Submit your proposal

- ✓ We strongly recommend all applicants **not to wait the last day/minute to submit the Application Form.**
- ✓ Click on “SaveAsDraft” because the system does not save the information automatically.
